Vicco Little League Honors Physician

A well known Perry County Physician, Dr. A. B. Pigman, was honored Sunday by the children and parents of the Vicco Little League, Babe Ruth and Minor Leagues, when they named their new ballfield "Dr. Pigman Field—Home of the Mets".

The field was dedicated Sunday at 1:30 p.m., immediately preceding the first Little League game of the season. Over 1,000 people attended the ceremony naming the field and the presentation of a picture to Dr. Pigman as a token of their appreciation for his untiring efforts for the Vicco and Carrs Fork Communities.

Dr. Pigman has been in this area for 35 years and maintains an office in Vicco. The majority of the children on the league teams were delivered by Dr. Pigman and he is now their family doctor.

Dr. Pigman expressed his appreciation for the gift and for having the field named in his honor.

Mr. Percy Combs, Master of Ceremonies, also expressed their appreciation to Hazard people who donated generously to help prepare the field, to Earl Combs who donated the land to the Carrs Fork Ladies Organization who helped secure the land and to the people who have worked in their spare time on the field since March 15.

The field, located one mile north of Vicco, will be open to everyone in the near future. Future plans include a concession stand, lights for the field, and a ball game every Sunday.

Vicco has three teams, Little, Babe Ruth and Minor. The leagues will play on the same schedule as the Hazard Little League.

Napier Students Present Play

The above students are the cast of "The Little Shepherd of Kingdom Come" that was presented by the M. C. Napier Senior Class recently. The play, all who saw it, was under the direction of Miss Eda K. Smith.

Napier High School Presents 3-Act Play

The Senior Class of M. C. Napier High School recently presented a three-act play, "The Little Shepherd of Kingdom Come" by Charles George, adapted from the novel of that name by John Fox, Jr. Directed by Miss Eda K. Smith, the play was considered a huge success by all who saw it.

Paul Eversole gave a convincing performance as Chad, "The Little Shepherd", homeless mountain waif who wandered into the home and hearts of the "Aristocrats" of the Blue Grass, and who fell in love with the beautiful Margaret Dean, successfully played by Virginia Rose Gibson. Janice Campbell gave an outstanding performance as Mrs. Dean, Margaret's mother, Una Mae Campbell gave a beautiful portrayal of Miss Lucy Buford, maiden sister of Major Calvin Buford, ably played by Samuel

tain girls. Wendis Fugate was quite believable as Nathan Cherry, the wicked old mountaineer as were James Hatten as Richard Dean and Donna Combs as Nellie Hunt.

Miss Smith had nothing but praise for the cast and stated that the success of the play was due to their earnest study and hard work.

Kiwanians Hear Lecture Tuesday On Hungary City

At the regular weekly meeting of the Kiwanis Club, Tuesday evening, April 27, Elmer Holliday was both program chairman and the speaker.

Mr. Holliday gave an illustrated lecture on Budapest, Capitol of Hungary, which is one of the countries behind the Iron Curtain. He took the pictures and had the color slides prepared while on an European tour in 1962.

Mr. Holliday and other agriculturists from the United States observed means and methods of agriculture in Europe, including several countries under the domination of Russia.

Fellowship Day Will Be Friday

The United Church Women are having May Fellowship Day Friday, May 7, at 7:30 at the Phillips Temple on Lovern Street.

Mrs. A. C. Greer will be the speaker. The theme of the program is "People, Poverty, Plenty." Everyone is invited to attend.

Commissioner Ward Urges Candidates Not to Mar Highways with Posters

Highway Commissioner Henry Ward today issued an appeal to candidates running for public office to refrain from placing political posters or other campaign material on Highway Department right-of-way.

Ward said state law prohibits advertising on highway right-of-way, and Department maintenance crews must remove advertising on the right-of-way wherever it is found.

"Besides detracting from the beauty of our roadsides, these posters and signs become an unnecessary drain on the taxpayer's pocketbooks since maintenance crews have to use their time to remove them," Ward said.

Olinger Awarded Centre Scholarship

A Hazard High School student, David Olinger, Jr., 808 Sun Valley Road, has been selected as a Jessie Smith Noyes Opportunity Scholar at Centre College at Danville.

In a letter Mr. Olinger received recently from Barry Dixon, Financial Aid Officer, he was told that the four year award will provide financial assistance during his studies.

In the letter, Mr. Dixon said, "You have demonstrated a high level of motivation, character, and aptitude for college work to qualify for the Opportunity Scholarship. We believe you are a student who will benefit from a good liberal arts education and one who will add meaningfully to our campus."

Davis is the son of Mr. and Mrs. David Olinger, Sr., of Hazard.

State Police Give Safety Lectures Here

Troopers Jerry Combs and Roy Cundiff of the Kentucky State Police gave safety lectures at the East Kentucky Beverage Company Bottling Plant in Hazard.

Trooper Combs expressed need for more troopers, the state has 449 today but is in need of 376 to bring the total force to the customary 825. He also stressed the importance of seat belts that help to save 5,000 lives each year.

The revised point system and its effectiveness were also discussed.

Combs stressed the need for the 176,000,000 dollar road bond issue to be voted on this fall.

The State Police Boys Camp was mentioned and Combs pointed out that all donations would be greatly appreciated. All Pepsi employees at this meeting donated 100% to the cause and expressed the feelings as to what a good cause it is.

Anyone wishing to mail a donation to the Boys Camp is asked to send it to KENTUCKY STATE POLICE BOYS CAMP, INC., FRANKFORT, KY.

Caudill To Speak At VFW Banquet

Harry Caudill, author of "Night Comes to the Cumberlands", will be the guest speaker at a banquet for the Veterans of Foreign Wars of Eastern Kentucky which will be held at the Hazard V.F.W. Post home on May 8, 1965.

Mr. Caudill will address the members of Area "C" and the area from Ashland to Mid-dlesboro.

Carl Rogers, Commander of the Hazard Post, anticipates a large turnout for the affair.

Registration of delegates begins at 2:00 p.m. followed by a joint meeting at 3:00, banquet at 7:00 and a dance to begin at 9:00 p.m.

Tax Books Open To Perry Citizens

Perry County Tax Commissioner, Roy Johnson, announced today that the Perry County property tax roll will be open for inspection today (Monday) through Friday of this week.

Any taxpayer may inspect the tax books to check his own assessment and compare it with others in the county.

This is the assessment on which school, county and state taxes will be due on September 15, 1965.

The tax books are in the office of the county tax commissioner in the county courthouse and may be inspected between the hours of 8:00 a.m. and 4 p.m.

Ladies To March For Red Cross Drive

Mr. M. K. Eblen, Chairman of the Red Cross Drive, announced today that the annual Ladies March will be held Tuesday or Wednesday of this week. The drive will be completed this week.

The Ladies March is one of the best features of the drive each year. Last year the collection from this source alone was \$500.

The Red Cross has been very helpful to this community in recent years. Following the 1957 flood, Red Cross spent over \$200,000 in this county and about \$150,000 more in 1963. Just last year, Hazard had five houses burn at one time in the Railroad Yards and Red Cross spent over \$3,000 helping these people.

The Red Cross' quota for this year is \$6,000. Mr. Eblen reported that they are finding it difficult to raise this amount and appreciate any donation anyone would like to make. If

Supper Planned At Leslie School

There will be a box supper at the Lower Grassy Branch School in Leslie County Friday, May 7, at 7:30 p.m.

The entertainment will include a variety of music, Cake walk, beauty contest and ugly man contest. The public is invited to attend.

Bernice M. Combs Announces Candidacy For Perry Sheriff

Mrs. Bernice M. Combs, wife of the present Sheriff, Charles E. Combs, has announced her candidacy for the office of Sheriff of Perry County, subject to the Primary Election, May 25.

Mrs. Combs is the first woman in the history of Perry County to seek the office of Sheriff.

One of twelve children, Mrs. Combs is the daughter of the late Sam and Jane Gambill Moore, of Chavies.

Mrs. Combs has worked in the Sheriff's Office, for her husband, for the past three

years and is experienced in all matters pertaining to this office. According to Mrs. Combs, "I am well qualified for this office and if elected, will see that it is run in the capable and honest way that it has been run in the past three years. A Sheriff needs to be a person in whom one can confide, one who is sympathetic but firm; and one who is very understanding and able to treat people fairly and justly when executing the law. I feel that my life has made me this type person."

Mrs. Combs worked in the Post Office at Lothair as clerk for several years, was Postmaster at Lothair for five years, is a member of the First Baptist Church, Eastern Star, Perry County Business and Professional Women's Club, Perry County Homemakers and District Director of Kentucky Federation of Homemakers.

Bernice M. Combs

The position Mr. Hudson is seeking is the No. 2 spot in the Kentucky Jaycee Organization. Clarence Baker, President of the local club, and from ten to twelve members of the club, will be in Louisville at the State Jaycees' Convention to try and secure the election of Hudson to the office.

Local Board No. 81 To Close May 310

Local Board No. 81, Selective Service System will be closed May 31st until May 10th.

The personnel will be attending a meeting at Selective Service National Headquarters, along with Selective Service personnel from all of Kentucky.

Carroll & Cooper Elected To Serve On Church Recommendations Committee

C. Vernon Cooper, Hazard banker and insurance executive and E. Tipton Carroll, minister of the First Christian Church here were elected members of the recommendations committee of International Convention of Christian Churches (Disciples of Christ) at the General Assembly of the Kentucky Association of Christian Churches which was held in Louisville, May 4, 5, and 6.

As members of the recommendations committee, they will prepare recommendations on all reports and resolutions to be voted upon by the International Convention Assembly of the Christian Churches which will be held in Dallas, Texas, September 23-28, 1966.

Mr. Carroll is a past president of the Kentucky Association of Christian Churches. A former Hazard minister, Franklin R. McQuire, now minister in Georgetown, was elected president of the Association for 1965-66.

E. Tipton Carroll

Lieutenant Governor Raymond Roberson, of the 9th Division Kiwanis Club, addressed the Campton Kiwanis Club Monday, April 12.

The Campton Kiwanis Club meets in the building occupied by Sewell's Restaurant.

Blue Print Of Poverty In Appalachia ...

by Willard M. Gilliam
The Blast Off

If we are ever to solve our problems, we must roll up our sleeves and begin. Procrastination will get us nowhere. The wisdom of the ages has taught us that "well begun is half done." Conditions and events may block our progress for a time but in the end our success or failure will be determined by our own efforts.

Our Biggest Problem

Our biggest problems is in getting started and really consists of two parts. First, we need a plan of action and secondly, we need a person or persons to execute the plan. There is much disagreement regarding what needs to be done and how to do it. Once we decide these points, we have many people able and willing to take over the direction of the program.

Take the Program to the People

The first step is to sell the people. The local papers and radio stations should carry the message to the people of Appalachia that our poverty is not inevitable, and that hundreds need not remain idle and dependent upon charity and handouts. There is something that we can do about it. Let the press and the radio hammer the truth home to the people that the poverty we have is a poverty of the mind only and need not exist at all. Let this media proclaim anew to our people the heritage of "Thy Rocks and Hills, Thy Woods and Templed Hills."

The writer feels that the second step to be taken is to enlist the active support of business organizations, labor unions, churches, clubs and Governmental agencies in the area.

Call An Organizational Meeting

The third step the writer would suggest is to call a meeting of representatives of the above mentioned organizations and other interested persons. This meeting should be held with the Fiscal Court in the County, preferably after the Court has finished its other business. After discussion of plans, objectives, etc., the Court should pass a resolution favoring the creation of an agricultural board, to study the problems of production, storing, packaging, processing and marketing of every possible food item that could be produced and consumed in the area. This board should be sponsored and assisted by the Court but should not be completely dominated by it.

Whenever possible, the county should provide office space for this board. This is especially necessary in the beginning.

Initial Duties of the Board

The board's immediate duties would be 1. to contact the merchants in the area and to determine the quality of food items that they sell that could be produced in the county. Tentative agreements or pledges should be secured from the merchants to purchase area produced products at the going market price.

Secondly, the board with the advice of the county Agricultural Agent, and others, would survey the land resources to determine how much of the merchants' needs could be produced. When an estimate of this has been made, the information should be published and farmers invited in to sign up for whatever amount of each item they feel they can produce. Incidental to this, the board would advise the farmer of the best variety of food to produce, the control of products and pests and help in financing production.

Suggestions for the creation of an Agricultural Board were made in a previous article, and some of the duties of the board were discussed. We shall continue with some further duties of the board. ????

Duties of the Board.

After the farmers have agreed to produce their quotas of the various crops, and while the crops are yet growing, the board will need to work out storage facilities. It will also need to arrange for grading, sorting, processing and packaging. It will need to begin an advertising campaign to sell the areas products, and to enlist the services of a first rate salesman to work with the merchants.

A good beginning could be made by renting a large warehouse or other suitable building in a central location. Part of this building could be used to store Irish Potatoes, sweet potatoes, onions, cabbage, beets, turnips and a variety of other vegetables that could be kept in storage. It would be necessary to arrange these products so that the temperature could be controlled in order to hold them as long as possible.

This building should be provided with a means of washing and packaging the foods before they are shipped out for sale. Also, it would prove profitable to have a "freezing Section" where any surplus of green beans, corn, greens, and other items, could be packaged, frozen, stored and held, to be put on the market during the winter months when the supply of fresh products are no longer available.

Expanding Operations.

After the plant has been in operation for a time new processes could be started and

new features added to the program. A section would be needed for processing eggs. It would also appear that a "mill section" could be added to crush grain for feed and to grind meal. Ultimately, no doubt, a small cannery could be added.

The writer feels that a great opportunity exists to develop and promote some of our special native foods, such as pickled beans, pickled corn, pickled beets, shucky beans, wild blackberry jams and jellies and other foods especially popular in Appalachia. With a good advertising program, a great demand could be created for these items.

Vision or Reality?

"Where there is no vision the People Perish." How true is this old adage, and how this lesson has been brought home to the people of Appalachia. But the program the writer has expounded need not remain a vision only but can become a reality. Followed with intelligent, determined, leadership, the program outlined would accomplish undreamed of results.

Looking with our "mind's eye" a few years into the future, we can see scattered throughout the various counties of Appalachia, neat concrete and glass buildings surrounded with green lawns, and beautifully landscaped. Inside these structures, machinery will be humming using the raw materials of our farms, turning out finished foods for our tables, and giving employment to our people. The people thus employed will gain confidence in themselves and in their ability. They will acquire new skills and "know how." This new spirit will permeate the surrounding Communities and be a blessing to all.

EUGENE JOHNSON FOR COUNTY JUDGE

Democrat Primary, May 25, 1965

TO THE VOTERS OF PERRY COUNTY:

I would like to introduce myself as one of your candidates for the office of Perry County Judge on the Democratic Ticket subject to the Primary Election May 25.

I am 36 years old, married and have one daughter, 10, and one son, 8. My wife is Lela June Johnson and we reside on Combs Road.

I am qualified by experience, education and traveling throughout our county. I own my own business, The Eugene Johnson Candy Company, which is very successful.

During recent months, Leslie County has received a \$29,690 federal grant for work in their county, and Letcher County was given a similar grant. If elected, I will work toward such a grant for Perry County.

I feel that roads are one of the biggest problems here in Perry County. If elected, I will work for better roads and for any other project which will help the people in our county.

I am qualified, capable and sober and I sincerely ask for your support in behalf of my candidacy.

—EUGENE JOHNSON

Law Requires Examination For Pre-school Children

If you have a child who will start to school in September, the law requires him to have a physical examination before he enters. Each year the P.T.A. of each of our schools and the Perry County Medical Association work together to have the examinations completed early in the summer.

The school is asking you to take your child to your family physician in the very near future for this check up. Pick up the MEDICAL BLANK at the school or the Health Department and when the doctor has completed the examination and immunizations return the blank to the school.

If you are financially unable to take your child to the family physician, be sure to take him to the Perry County Health Department according to the following schedule.

Hazard children — May 10, and May 11.

Walkertown children — May 12, and May 13.

Lothair—and children from from Hazard and Walkertown who missed their appointments: May 14.

Ashford Keeton, 63 Dies April 27th At Local Hospital

Ashford Keeton, 63, of Highland Avenue in Hazard died Tuesday, April 27 at the Appalachian Hospital.

He is survived by his wife, Gertrude; one son, Ashford Jr., of Middletown, Ohio; and one daughter, Mrs. Wilma Jean Napier, of Dayton, Ohio.

One brother and four grandchildren also survive.

Funeral services were held Friday afternoon, April 30 at 1 p.m. at the Maggard Funeral Home Chapel with Reverends Johnny Jett and William Brown officiating.

Burial was in the Curt Napier Cemetery on Lotts Creek with the Maggard Funeral Home in charge of arrangements.

Dwight Sexton Serves Aboard USS Independence

Radioman Seaman Dwight M. Sexton, USN, son of Mr. and Mrs. Paul Sexton of 197 N. Main Street, Hazard, Ky., is serving aboard the attack aircraft carrier USS Independence, which will deploy to the Western Pacific with the U. S. Seventh Fleet on May 10.

The carrier will steam around the Cape of Good Hope, into the Indian Ocean, and then join the Seventh Fleet. While in the Orient, the Independence will visit ports in Japan, the Republic of the Philippines, Singapore and Hong Kong.

To The Voters of Perry County:

I am in the race on the Democratic Ticket for State Representative from Perry County.

As I am working six days a week I won't have a chance to see all of you before the election, so I am stating some of the important things I am for in this article.

I am in favor of changing the election laws to only have an election every even year for all offices are filled for two or more even years. The state can use the money it spends on the unnecessary election for so many things more important.

I am in favor of a sterilization law to sterilize all persons who have a venereal disease to avoid the possibility of them being the father or mother of a deformed child. Also sterilize all girls that are known to be cohabiting with men to avoid the possibility of them being the mother of an illegitimate child which the state is now spending so much money to take care of and raise.

Let's make Kentucky a leader in breeding us back to be strong, healthy, intelligent people here in the United States like they were in the days of long ago.

If you are interested in the things I have mentioned, send me to Frankfort and I will go in fighting for these things and continue the fight until I get results.

Your support will be appreciated by me and others too I hope.

ELI BRASHEAR.

Garden Club Adopts Theme For New Year

Mrs. W. Glenn Reynolds, newly elected President of the Mountain View Garden Club presided at the regular monthly meeting of the Club which was held at the Bobby Davis Memorial Library on Tuesday evening, April 27th.

Following the reading of the Garden Club Collect by Mrs. Reynolds, plans for the coming year were discussed, and members adopted as their main theme for 1965-1966 "Landscaping" to tie in with their Civic Improvement and Beautification projects.

Mrs. John L. Ray, Chairman of the Mountain View Gardenettes stated that the Junior Gardeners had planted a tree on Arbor Day at the Municipal Water Plant and that the Twigs and Branches were planting one at the Roy G. Eversole School.

A report was also given by Mrs. Ray on the recent State Convention of The Garden Club of Kentucky which was held in Owensboro on April 20-22nd. The Mountain View and Junior Gardeners received thirteen awards. The major award of \$200.00 received from the Sears Roebuck Company will be used to further the Club's projects for Civic Improvement and Beautification. The awards were on display at the meeting.

Chairmen for the coming year were named by Mrs. Reynolds.

Brenda Sizemore

Student Wins Spelling Contest

The winner of the Spelling Bee held at the Dennis C. Wooton School Saturday, April 24, and sponsored by the Perry County Teachers' Association, was Miss Brenda Sizemore, an eighth grade student of the Chavies Elementary School.

Miss Sizemore's teacher is Mrs. Ella W. Whitaker.

Brenda spelled the word "copyright" correctly which gave her first place in the contest. She received an award of \$20.00.

Brenda is the daughter of Mr. and Mrs. Ray Sizemore, of Chavies.

Miss Sizemore plans to attend Buckhorn High School next year.

Student to Represent 4-H Club With Apple Sauce Cake Demonstration

Anna Ruth Fugate, a 7th grade student at Combs Grade School, who is to represent Perry County 4-H Club with an Apple Sauce Cake demonstration, was guest at the Airport Gardens Homemakers meeting April 15th at the Dennis Wooton Elementary School.

She demonstrated the making of the cake in a very short time and presented it well.

Devotional was given by Mrs. J. W. Back, from Luke 24 on the Crucifixion. Interest lessons for next year were discussed and voted on.

Mrs. Charlie Fugate urged each member to attend the annual meeting May 7 at Ary and the 4-H Club Dress Review May 14 at Dennis Wooton School. Birthday offering was presented by Mrs. Mosley.

The lesson "Table Mats You Can Make" was presented by Mrs. Cecile Towns. She said that table mats and cloths are like stage scenery. They set a background for China, silver and Crystal. In choosing place mats think about texture, color, patterns, fabrics, size and the actual construction. She had on display numerous place mats and demonstrated mitering-corners, finishing edges, hemstitching, etc.

Refreshments were served by Mrs. P. H. Combs, Mrs. Arlie Mosley and Mrs. Fred Skaggs to the following: Mrs. Dixon, Mrs. Coomer, Mrs. Back, Mrs. Hyden.

Mrs. Greer Is Girl Of The Year

Mrs. Perry Greer was honored as Girl of the Year for 1964, at a Beta Sigma Phi dinner, Friday night, April 30th at the V.F.W. Club. This is Beta Sigma Phi's top award and is made each year to an outstanding member.

Mrs. Greer was chosen for this honor.

New Officers were installed for the coming year—President, Mrs. Herbert Charles; Vice and is a Past Treasurer, Mrs. President, Mrs. George Kawaia; Charles Simpson, outgoing President, Mrs. Dean Rogers; Recording Secretary, Mrs. Lew ident presented a trophy and Campbell; Corresponding Secretary, Mrs. Jack Fitz.

Awards were given to outstanding officers—Mrs. Simpson, the invocation, Mrs. S. W. Francis gave a resume of the year Floyd Hall, Mrs. Jack Adams, 1964. Mrs. George Kawaia was and Mrs. Kenneth Zimmerman, Mistress of Ceremonies and Other Special Star Awards gave the Welcome address. A program entitled "Vaudeville Varieties" was presented by Mrs. Dean Rogers, Mrs. Herfield, Mrs. Dean Rogers, Mrs. Herbert Charles, Mrs. John Quillen, Mrs. Perry Greer, Mrs. Jack Vaughn, and Mrs. S. W. Francis.

Pre-School Party Will Be Held May 6 At Roy G. Eversole School Here

Mrs. Elizabeth Duncan, President of the Hazard PTA, announced today that on Thursday, May 6, from one o'clock until two-thirty o'clock in the afternoon, there will be a pre-school party held at the Roy G. Eversole Elementary School for all children who will enter first grade at that school next year, and for their parents.

Registration for the party will be held in the hallway next to the first grade rooms. It is planned that each child will receive a favor and refreshments when they register.

After registering, the children and their parents will visit the first grade rooms and meet the teachers with whom they will be working next year.

First grade teachers at this school are Mrs. Mattie McKinney, Mrs. Pearl Helton, Mrs. Mary Willoughby, and Mrs. Mildred Stevens.

Following the room visitations, the parents will be asked to meet in the school cafeteria for a brief period where they will receive instructions about the pre-school clinic which will be held on May 10 and 11. Also, they will be briefed on the proposed Project HEAD START which, if approved by the Office of Economic Opportunity, will be held at the Roy G. Eversole School this summer.

The first grade teachers at this school will have charge of the party which is being sponsored by the Hazard P.T.A. The purpose of the party is to get the children acquainted with the school that they will attend next year and with teachers with whom they will be working.

Floyd Hall, Mrs. Lew Campbell, Miss Jean McIntosh, Mrs. Jack Fitz, Mr. Ray Linville, Mr. Dean Rogers, Mr. Floyd Hall, Mr. Charles Simpson, Mr. Jack West, Mr. Perry Greer, Mr. George Vaughn, Mr. Don Compton, Mr. Ken Stivers, and Bill Rector.

PTA Spelling Bee

Is Scheduled

For Saturday

Mrs. Norman P. Cornett, President of the Tenth District Kentucky Congress Parents and Teachers announced today that the annual spelling bee of the Tenth District would be held on Saturday, May 8th at the Hazard City School Administration Building, Broadway Street, Hazard. Registration will begin at 9:00 a.m. and the Spelling at 9:45 a.m.

School champions have been selected during the past month, either by written or oral work and are eligible to participate if their school has an active Parent-Teacher Organization in good standing with the Tenth district.

A Spelling Bee Award will be presented to the boys and girls participating in the Spelling Bee. In addition to the awards, cash prizes of \$20.00, \$15.00 and \$10.00 are given to the three winning first, second and third places in the finals.

The Spelling Bee is one of many projects sponsored by the Tenth District to further the education of children and youth. Chairman of the Spelling Bee Committee is Mrs. J. W. Jarrell, former teacher at the Walkertown Elementary School and past president of the Tenth District. She will be assisted by Mrs. Herbert Haynes and C. V. Cooper, Jr.

Contestants are expected to attend from eight counties of the District and the list of words will be chosen from spellers, now in use, or other textbooks.

Napier Students Present Play

The above students are portraying a scene of "The Little Shepherd of Kingdom Come" that was presented by the M. C. Napier Senior Class recently. The play considered a huge success by all who saw it, was under the direction of Miss Eda K. Smith.

certified safe at 100 mph*

We had the new Dunlop Gold Seal tested at a battering, sustained 100 mph. It came through safely... a first for any popular priced passenger tire.

So, at today's freeway limits, the Gold Seal goes well beyond all your safety demands.

Then there's an attitude of sleekness in the new Low Profile... longer wear in the wide footprint and full four-ply construction, either Tyrex or nylon... shock and noise absorption in the new tread compounding... plus phenomenal traction, especially on wet highways.

Dunlop patented Safety-Shoulders carry you over ridges and ruts and back without a lurch. A new pressure-seal innerliner keeps an unprecedented lock on air.

There's no other tire quite like it. Go to your nearest Dunlop dealer. You'll find him listed in the Yellow Pages. Leave safe... on new Dunlop Low Profile Gold Seals.

APPRECIATION

Being aware of the hearts and minds of the members of the Phillips Temple, Colored Methodist Episcopal Church, and of that of Mr. and Mrs. Paul Collins, the parents of seven year old Jackie Collins, who was recently drowned, and on their part, these means are adopted to convey the following:

To the Hazard Rescue Squad, the city police and firemen, the sheriff's office, the funeral homes and the scores of other volunteers, too numerous to mention, we, the colored people, extend to all who participated our deepest and most heart-felt emotions of gratitude and appreciation for the long hours and days of dangerous and exhausting search necessary for the recovery of little Jackie's body.

We respectfully acknowledge your concern and kindness to that end that our mutual respect for each other may be held up as an example for all other communities. I am,

Sincerely yours,

The Steward of Phillips Temple,

Daughter of "Cy Noble & Granddaughter of
"Red Bob Napier"

Republican Candidate For

COUNTY COURT CLERK

I do not want a deed for this office; I desire only
to be your custodian and humble servant.
Your vote and influence will be greatly appreciated

FAMILY BACKGROUND

1. This is my first race for political office in Perry County.
2. I was born at Krypton, Ky., and educated in Perry County, having gone to school at Big Creek and Buckhorn.
3. Cy Noble was my father who at one time ran for this very important office.
4. May Napier of Krypton, Ky., was my mother, daughter of "Lucinda Begley & Red Bob Napier."
5. Roy Edward Combs of Busy, Ky., is my husband. He is the grandson of "Rod McIntosh."
6. I am 36 years of age and have a daughter going to M. C. Napier High School, and help rear my husband's two children. I understand and appreciate the problems of our young people and the many difficult tasks they face in life.
7. I have 18 years experience at office work, having performed the tasks of bookkeeping, filing and typing.
8. Elbert Strong, was my uncle and served many of you as your County Attorney. C. A. Noble, Sr., also served the people of this County for many years, and his sons continue in the legal profes- sion. One of which also served as your County Attorney.
9. My father worked many years for Sam Campbell in his magistrate's office, and I am sure you remember Dad or Cy when he worked for Sam Campbell. If elected to this very important office my platform is simple.
1. Everyone regardless of politics is welcome to visit and make the Clerk's office a part of his gov- ernment and he may change his registration at legal times without any advice or prompting since this is his privilege.
2. To the Attorneys or Lawyers of this area, as well as the people I promise to keep their deed books and mortgage books permanently indexed monthly to make their abstracting safe and easier.
3. I promise to get new index books for the lein's books and re-index the books so that if anyone is running the name of Combs or any name they will be able to look under the C page or pages without jumping all over the book to find and abstract their title or research and thereby do away with unnecessary pitfalls.
4. Your records will be respected and protected during my tenure of office.
5. I do not desire a lifetime deed to this office and will only run one term, and will step aside and give some one else an opportunity to serve you people, since I merely want to be your custodian and humble servant.
6. I promise to keep your Clerk's Office open all day on each and every Saturday of the year since I realize that this is the only day of the week that many of our people have a chance to come to town to transact their business.
7. I plan to make myself or my chief deputy available at all times to serve the people.
8. I promise to not absent myself from the office for more than two weeks of the year.
9. I promise to personally observe and keep a firm control over all the tabulation sheets of all election in this County.
10. I promise to run an efficient office, and to buy equipment only with the approval of the Fiscal Court.
11. My staff will be experienced in serving the public and persons whom all of you know and respect.

I ask for your help and support in this Republican Primary Election, and I would love to be your Republican choice for the November Election since I feel that I can be a winner in November if nomi- nated. I plan to visit each and every one of you before the primary election and if I should fail to see you it will be because you were gone when I made my visit.

Any consideration you can show me will be appreciated to the bottom of my heart.

—BARBARA NOBLE COMBS.

Folks to answer so many of your inquiries in regard to this column, no I haven't quit writing. I guess that the main thing is the Herald is getting a lot of business from the Candidates for the coming election in May, see they get paid for that space, mine doesn't pay any. Only thru you that tell me you but the Herald only to read after this Hillbilly Ramblings, which I assure you I really do appreciate. Without your remarks I certainly would have no initiative to devote my time to these columns. So just be patient and lets let the paper make the extra money that I know they are like a lot of us they can use it in their business, after all we all must realize it takes money to make the Mare move.

THIS HAS BEEN

A wonderful Spring so far, it seems that every thing has been just right this year. Don't think I have ever seen the trees, flowers and bud out almost over night, the Red Bud and Dog wood are in full bloom, the hills are fast taking on the colors that we have long waited for. This the 26th day of April could start the beginning of the Dogwood winter, and I will have two in one, its buddy Red Bud should start dropping its bloom about the same time. So if we can get rid of two at once that will be another flower in our crown toward much better weather. Of course there is Blackberry one, which I will say is the most contrary fidgety winte of all ones in the spring. It will build you up to some really hot days, then all of a sudden you will think it is zero time again. That's what pinches you off especially after we have shucked our long handles turned off the heat, this is the time of the year that can make the shivers run up and down your spine, just like a banjo picker strumming out Sour Wood Mountain.

THIS CAN ALSO BE

A Sad Season for people that are sick and afflicted, they would also like to see flowers growing in their yards once again. Many are not able to do this any more. Few days ago I received a call from Mrs. Margaret Mitchell she has been ill some four months, she told me she wanted so much to see flowers in her yard once again. She states that she can't get any one to help her. I am confident that there is many more people just like Mrs. Mitchell. Let me suggest that so many of the organizations of various types could be rendering many happy hours to doing such things for our people that are shut in, and unable to do the things they would like to do. Let me suggest that we start looking out our back doors as well as our front ones, I am sure that you can find some one that will deeply appreciate your efforts in trying to make their days a little brighter. Flowers to me is best appreciated when you are alive, don't give me any after I am gone, this I think many people would like to have. So lets start thinking and helping some neighbor that is unable to help themselves this spring to have the flowers they want in their yards.

THANKS TO YOU

Doc. Osborne and your good wife Marie in regard to your favorable remarks to this column, yes folks I write about what I know about, you have expressed your feelings the same as I, because you have had the same experience with Yellow Jackets as so many of us hill billies have had in the past. Let me tell you something the yellow jackets doesn't have any particular territory to operate in, I have seen them in the heart of Ky. which is what many call the BLUE GRASS AREA, I have also seen some of the finest three holers around Lexington that I have ever looked upon. Yes, the yellow jackets are no different down there, they will till buzz you good and

then Zam, believe me you have had it. Nothing will help it more than a Fat Piece of salt bacon. YES WITH PLENTY OF SALT.

A LONG PILGRIMAGE

Has been made from a pure old time Mountain Man, none other than Brown Baker, he does it once a year. Just as sure as the sap starts running you can bet your bottom dollar that Brown will make his way back to his boyhood haunts, that is fishing and visiting with his friends. Brown has made his annual trip for this year. I know he has been fishing with his sons Barney and Bernice. Haven't yet heard too much about your trip to the lakes. Nevertheless I am confident you have had a nice time Brown. Come back to see us more often, I realize that when you live in the Buckeye State many things they have to carry on in their manner. I will say one thing you Brown it sure hasn't affected you any.

NICE HEARING FROM YOU

Pole Fields, glad that you are thinking of some spring fishing. At the present time our streams are offering up some fine catches. Also to you Mr. and Mrs. John Davenport of Napfor, Ky., way it is nice hearing from you. Yes one of these days I might take you up on your offer to come and spend a day or so with you. Many years ago we use to have some fine fishing in your area. Thanks to you Rev. M. T. Canada over Town Mountain way. Also to your fine wife, I can understand what makes you tick Rev. Also to you Jailer Bill Kelly, Bill tells us he runs not only a Jail but a rest home, Bill relates a few days ago the bride of a bridegroom was placed in his care, Bill took care of the bride while her husband was serving out his time, this I would say is a honorable thing to do. Beckham Moore of Morgan County says plant your SALLET PEAS in November, this you can do if you wish. Wess Whittaker says plant them in January, I do know Wess really brings sallet peas to town real early in the spring. Folks just try both seasons would be what I would suggest. This is a growing season, let take advantage of it, can, dry, and grow all you can. Because next winter it will certainly taste good. Lets make the best of what we Have Now.

Oh Yes! Don't forget Primary is May 25. Every Registered Voter Be Sure and use your most precious privilege the right to vote for man and the party of your choice.

FOLKS HERE THAT ARE IN THE VICINITY OF THE NEW COURT HOUSE THAT IS NOW UNDER CONSTRUCTION HERE IN THE COUNTY SEAT OF HAZARD, KY. I sometimes wonder what will develop from so many meetings that so many have attended by so few. It looks at this time that we are meeting out. I know many of you have made a measley appearance without anything better accomplished. What can a meeting accomplish with a lot of fan fare and publicity, without a direct objective. To me this is what is happening, if you are elected to serve on some board, if you can't render the service that you are elected to do, why accept such positions in name and honor only. Lets get all organizations on the beam, lets serve as officers to the best of your ability. Hazard and Perry County I believe has come up with more organizations than any town in the entire state. Lets get to the bottom and start to the top. Lets find the needs of our area and all pull together.

College To Sponsor Addresses On Appalachia In Danville May 4-5

Centre College will sponsor addresses for the general public on the subject Appalachia in Danville, Tuesday night and Wednesday morning by Harry M. Caudill of Whitesburg, author of the widely acclaimed book, "Night Comes to the Cumberlands", and by John D. Whisman of Frankfort, administrator of the Kentucky Area Program office of the Appalachian development program.

The addresses are being planned by the Centre economics and business administration department.

Caudill's address is scheduled for 8 p.m. Tuesday in Centre's College Hall auditorium. Whisman is to speak at 10 a.m. Wednesday in Sutcliffe Hall at Centre.

Caudill, an attorney and former Kentucky state representative, will speak on the subject "Appalachia - Its People and Its Problems." His book, "Night Comes to the Cumberlands", has been widely read and especially in Washington where it is considered the textbook on the problems of Appalachia. It is being used in the teaching of Sociology in various universities.

It was one of four adult books published in 1963 to receive an award of merit from Friends of America writers. It also held a place on the list of 50 best books for that year listed by the American Library Association.

Caudill's articles on the damages of strip mining, the problems of unemployment and other problems of the Eastern Kentucky area have been published in various national magazines, including The Atlantic, Readers Digest, The Nation, and others. He has been interviewed on the problems of Appalachia by many newspapers, magazines, radio and television programs.

Whisman is Kentucky representative on The Appalachian Regional Commission, and executive secretary of the President's Appalachian Regional Commission. He was a member of President Kennedy's task force on area redevelopment. A graduate of Powell County High School in Stanton and the University of Kentucky, he served as publications editor with the state division of publicity from 1950 to 1955. He was sales manager of Irving Air Chute Company in Lexington from 1955 until his appointment in June, 1958 as executive director of the Eastern Kentucky Regional Planning Commission. He was the commission's first director and is still serving.

He was appointed special assistant to Governor Bert T. Combs in July, 1960 and is now special assistant to Governor Breathitt.

Alice Lloyd College Represented At Southern Mountains Conference

Alice Lloyd College was among eighteen other junior and senior colleges represented at the 53rd Council of the Southern Mountains Annual Conference, held this year at the Hotel Patten in Chattanooga, Tennessee, April 20-23.

Mr. Bennie Moore, Professor of Sociological studies at Alice Lloyd College and three students: Ron Bersaglia, Hazard; Marvin Moore, Pippa Passes; and Ken Terry, Prestonsburg; participated as Alice Lloyd delegates as they helped prompt group discussions and serve as commissioned voters on the youth commission in electing a Youth Commission Committee to serve as a separate branch or planning supplementary group to the Youth Commission. This Commission was created to give youth a chance to participate more in Council activities and maybe act as a breeding ground where potential workers for the Council of Southern Mountains could originate.

This particular group, through somewhat separate from the Appalachian Volunteers, is to work closely with the A.V.'s and act indirectly as a planning committee.

This year's Conference emphasis was placed upon the role of youth in the war on Poverty. Since the young men and women were the active branch of the Council in actual front line work, several conference speakers initiated the idea that responsibility could be carried out even better by college men and women. The Conference hosted such speakers as the honorable Ross Bass, U. S. Senator from Tennessee, John Ehle, Special advisor on Public Affairs for the Ford Foundation, Mrs. Stockely Dykeman, Author of novels such as The French Broad, and Editor of the Chattanooga Times, Mr. John N. Popham.

Also special groups for entertainment included: Billy Ed Wheeler, Composer of Rev. Mr. Black, Walter Farbes, and the Bingham Trio, a fast-rising threesome who have already recorded several albums for Park-view records.

FOR SHERIFF

Republican Primary, May 25, 1965

FRIENDS AND NEIGHBORS OF PERRY COUNTY:

I am the first woman in the history of Perry County to seek the office of Sheriff. My husband, Charles E. Combs, your present Sheriff, can not succeed himself in this office; and because of this our many friends have encouraged me to run for this office. I feel that working in the Sheriff's office for the past three years has given me enough experience to serve you as your Sheriff.

Many people feel that making arrests is the only duty of the Sheriff; but this is just one of his duties, and he has his deputies at his command to do this for him. I have already had experience in directing the deputies in making arrests; for this has been my job for the past three years. We have two-way radios in the office and in our home and through their use we are in contact with our deputies at all times. But there are many other duties re- quired of a Sheriff. He also collects the taxes for the State and County and disburses the money to the proper institutions for which it is designated.

The Sheriff serves all legal papers issued by the Judges and Clerks of the Counties. He makes routine checks of business places where soft drinks, ice cream and tobaccos are sold or any other place where the proprietor is required to purchase a license to operate. A Sheriff needs to be a person in whom one can confide, one who is sympathetic but firm; and one who is very understanding and able to treat people fairly and justly when executing the law. I feel that my life has made me this type of person.

I am one of twelve children, the daughter of Sam and Jane Gambill Moore, of Chavies now deceased. Being a member of such a large family I have learned to get along with all types of people. My parents were merchants at First Creek and Chavies for 60 years. I worked in their store when I was growing up.

I worked in the Post Office at Lothair as clerk for several years. I was Postmaster at Lothair for five years. For the past three years I have worked in the Sheriff's office along with my husband. I am a graduate of Buckhorn High School and Fugazzi Business College. I am a member of the First Baptist Church, Eastern Star, Perry County Business and Pro- fessional Women's Club, Perry County Homemakers and District Director of Kentucky Federation of Homemakers.

The Sheriff's office has been modernized since my husband has been in this office. We have installed two-way radios in all cars used by the sheriff and his deputies. Use of these radios enables us to serve the public more efficiently. We have bought uniforms and marked cars which lend dignity as well as identity to the Sheriff's office.

All these improvements did not cost the taxpayers anything but were paid for at the personal expense of the sheriff and will remain his personal property. There has been no "fee grabbing" because the deputies are paid a salary. We have tried to treat everyone with respect and to use diplomacy in carrying out the duties of the Sheriff's office.

It is with great pride that I seek the office of Sheriff of Perry County; and when nomi- nated and elected, I promise you four more years of the same courteous and dignified service. THIS IS A CHANGING WORLD. Let us be realistic when these changes come. I stand for progress and a better and greater Perry County.

I wish to thank all of you for the interest you have already shown in my campaign and for anything you may do for me in the future. Your vote and influence will be greatly appre- ciated. Thank you.

COUNTY COURT CLERK

PERRY COUNTY

My residence is at Dwarf, at which I have lived most of my life. My parents are Sam Wooten and Rebecca Duff Wooten of Dwarf. My wife Aileen is the daughter of Kelly Handshoe and Allie Dobson Handshoe. They also live at Dwarf.

I am forty years old, my wife and I have seven children:

Edna Jo	18
Billy	16
Kelly Glenn	14
Sherry Lynn	11
Sammy and Danny	2
Gary Wayne	9 months

Our three older children attend school at M. C. Napier High School, and Sherry attends school at Robinson Grade School.

I attended high school at the Robinson High School, at Ary. I served three years in the United States Army in World War II, in which I served all but five months over seas, after returning home from the Army my father and I opened Wooten's Grocery and Feed Store at Dwarf. This business later became Wooten Wholesale Company. I have been self-employed ever since that time.

I was appointed to the office of County Treasurer in 1958 and re-appointed to this important office in 1962. I still hold this important office.

I spent many hours working with others to help Perry County citizens get a Federal Grant for the construction of a new courthouse and jail in Perry County.

I was present in Washington, D.C., at the time the Fed- eral Authorities assured Perry County that they would get the Grant.

I, with others, made trips to Frankfort, Atlanta, Georgia, and Washington, D.C., to help Perry County become the third county in this state to receive the Food Stamp Program, for the needy of Perry County.

(1) If nominated and then elected County Court Clerk of Perry County I will give my full time to that important office and will serve all the people of Perry County to the best of my ability.

I have had about twenty years bookkeeping experience.

(2) I will hire the best available and experienced per- sonnel I can acquire to work with me.

(3) I will operate the County Clerk's office econom- ically as is possible, to save the tax payers as much as possible.

(4) I will see that all records kept in the clerk's office will be indexed properly and in their proper place and kept uniform.

(5) I will work willingly as Clerk of the Fiscal Court and will keep their minutes and order book to date.

(6) I will post all bills that the county owes in a ledger kept for that purpose so the Fiscal Court will know what the county owes at all times.

(7) I will work hard with the officers and citizens of Perry County to make Perry County a better place in which to live.

(8) I will see that each and every person who comes to the clerk's office to register, to vote can reg- ister at their own free will, without being influen- ced.

I like to help people and I like to work with people.

With my experience in bookkeeping and seven years as Treasurer of Perry County I believe this qualifies me for this important office.

So I ask YOU the voter of Perry County to examine my record, ask people who know me and who have worked with me, then you decide if you think I will make the best County Court Clerk then I ask you to support me.

Your vote and influence will be greatly appreciated.

Wm. Bill Wooten
